Invitation

Dear Esteemed Researchers,

Greetings!!!

We are very happy to inform and invite you to 9th annual Two Day International Conference on Multidisciplinary and Integrated Approaches to Global Challenges-Theme: “Collaboration across disciplines for innovative global solutions with Advance Research Studies” held on November 23rd & 24th–2024 organized by Department of Biotechnology & Microbiology, Kalp Laboratories, Mathura and Kalp Squad Group. Co-organised by Indian Farmer and Scientist Council (IFSC), Ghaziabad, UP, The Bouquet Society, Mathura, Plant Research & Educational Promotion Society, Jointly Organized by Hindustan Agriculture Research Welfare Society, Agra and International Biotech Technocrats & Consultants Association, Delhi.

All of you are cordially invited to attend this Conference so that we can discuss and share thoughts on a very important theme of this event; we welcome all your noble thoughts.

This Conference will consist of many scientific discussions, Award Honored, Novel Keynote/Invited Speakers and awareness which will generate consciousness among the community.

Please circulate it to your all contacts like colleagues, Teachers, Friends, academics, and Students and motivate them to participate in this Conference.

Event Cover:

- Oral and Poster Presentations by PhD/M.Sc/B.Sc Students
- Eminent Scientist Lecture
- Keynote Speaker Lecture
- Invitee Talk Lecture
- Award Nominations

About KL:

Kalp Laboratories-A Centre for Basic & Applied Science KLCBAS, (A unit of Pvt. Ltd.), An ISO 9001:2015 Certified Lab. KL fast growing laboratory is engaged in the field of Biotechnology/ Microbiology/ Molecular Diagnostics Research Training situated in Mathura (City of Lord Krishna). We have developed 1 month to 1-year Hands-on Industrial Training/ Project/ Dissertation Work and Summer & Winter Training Programs for the students of any field of Biotechnology/Life Sciences and Medical Biotechnology. This training will prepare the candidates for a brighter future in Life Science and Biotechnology by providing knowledge & experience in advanced technologies currently being employed in research. It will also help the candidates in designing of experiments, formulating project protocols, together with Hands-On Training in advanced techniques in Molecular Biology, Plant and animal Biotechnology, Microbiology, Agriculture and pathology.

ICMIGC-2024: Aims & Objectives

This two-day 9th annual **International Conference on Multidisciplinary and Integrated Approaches to Global Challenges**-Theme: **“Collaboration across disciplines for innovative global solutions with Advance Research Studies”** held on November 23rd & 24th-2024 organized by the Department of Biotechnology & Microbiology, Kalp Laboratories, Sonkh Road, Mathura, Uttar Pradesh, India. The primary objective of ICMIGC-2024 is to provide worldwide participants with the chance to share their thoughts and experiences in person with their peers who are anticipated to attend from all over the globe. Furthermore, this event will assist attendees in establishing research or commercial relationships, as well as worldwide connections for future collaborations in their professional path. We expect that the ICMIGC-2024 conclusion will result in major additions to the knowledge base in these cutting-edge scientific domains. This Conference is sponsored by many National institutes. Academics and practitioners from all over the world may discuss and share ideas on the most recent subjects in business and applied science research at the ICMIGC-2024. The planned conference covers the following fields: Life Sciences, Agriculture Sustainability, Health Sciences, Accounting, CSR, Finance, Economics, Econometrics, Education, Information Technology, Law, Marketing, Social Business, and Multidisciplinary. Our peer-reviewed conference strives to expand our understanding of emerging scientific issues and research methodologies in business, economics, and society by bringing together the world's best experts and opinion leaders. We encourage you to engage in dialogues, contribute your ideas, and make connections as a group of academics from across the globe.

Who can Participate:

Scientists	Training Institutes	Young Researchers
Academician	PG/UG Students	Biotechnologist
Exhibitors and Sponsors	Faculty Members	Hospital Staff
Industry Professionals	Microbiologist	Pharmacist
Pathologist	Professors	Researchers
Engineers	Researchers	Ph.D Scholars

SUB-THEMES OF CONFERENCE

Horticulture Sciences	Genetic engineering
Science & engineering	Advance technology
Environmental safety	Chemistry
Biodiversity Sustainability	Education Research
Research on Medicinal Plants	GM crops
Business, management, & accounting	Social science & Law
Agricultural tools and techniques	Molecular Diagnostics
Agriculture Biotechnology Research	Crop Improvements
Technologies for rapid crop improvement	Forestry Science
Genomics technologies for tropical agriculture	Organic Farming
Hospital & public healthcare	Law ethics
Yoga, ayurveda, & physiotherapy	Health science
Safety testing and government regulations	Medical Microbiology
Genes and traits of interest for crops	Plant Biotechnology
Food & nutrition	Language & history
Neurosciences & nursing	Arts & humanities
Agricultural Microbiology	Medical Biotechnology
Earth & planetary science	Pharmacy
Sustainable Business Practices	Quality Education
The Law, the Legal System and Society	Acoustical Engineering
Youth, Population and Social Change	Agricultural Engineering
Education, Employment and Poverty Reduction	Architecture Engineering
Energy and the Environment	Automotive Engineering
Land, the Geography of Space and Urban Planning	Aerospace Engineering
Health and Health Issues Politics and Governance	Geography and Geosciences
Gender and Women's Empowerment	Mechatronics Engineering
Automation/Control Systems/Robotics	Religious Studies
Rural Economy and Land Use	Mathematical Finance
Urbanization And Health	Chemical Sciences
Sustainable Cities and Communities	Global Warming
Industry, Innovation and Infrastructure	Disaster Management
Strategies for sustainable management of renewable resources	Ecological Behavior
Food security and sustainable resource management	Green Economy
Sustainable Economic Growth	Biodiversity & Ecology

Call for Contributions:

Prospective writers are welcome to participate to and shape the conference by submitting research abstracts, papers, and e-posters. Also requested for presentation at the conference are high-quality research articles reporting unique and unpublished findings of conceptual, creative, empirical, experimental, or theoretical work in all areas of Multidisciplinary Research and Innovation. The conference invites abstracts, papers, and e-posters that address conference themes and issues, as well as figures, tables, and references to new research materials.

•

ICMIGC Conference Proceeding:

Prospective writers are welcome to participate to and shape the conference by submitting research abstracts, papers, and e-posters. Also requested for presentation at the conference are high-quality research articles reporting unique and unpublished findings of conceptual, creative, empirical, experimental, or theoretical work in all areas of Multidisciplinary Research and Innovation. The conference invites abstracts, papers, and e-posters that address conference themes and issues, as well as figures, tables, and references to new research materials.

•

Special Journal Issues:

International e-Conference on Multidisciplinary Research, Practices & Innovation has teamed up with the Special Journal Issue on multidisciplinary subjects. A number of selected high-impact full text papers will also be considered for the special journal issues. All submitted papers will have the opportunity to be considered for this Special Journal Issue. The paper selection will be carried out during the peer review process as well as at the conference presentation stage. Submitted papers must not be under consideration by any other journal or publication. The final decision for paper selection will be made based on peer review reports by the Guest Editors and the Editor-in-Chief jointly. Selected full-text papers will be published online.

•

Guidelines for Authors:

Please ensure your submission meets the conference's strict guidelines for accepting scholarly abstract & papers.

•

Abstract submission guidelines:

- Do not phrase the title as a question. Rephrase your title to answer or at least allude to the answer.
- Ensure the title is long enough that it identifies the topic, argument, and method of the essay.
- The abstract must include an introductory statement that outlines the background and significance of the study, the methodology, as well as the major findings of the study.
- Do not cite any reference, figure, equation, or tables in the abstract.
- At least four keywords or phrases should be given in alphabetical order.
- Ensure your abstract must be plagiarism free.
- The affiliation section should appear at the above of the page on the left and must include at least the corresponding author's e-mail.
- Abstract title must be 14 font size with bold, author details must be 12 font size with un-bold, entire content of the abstract must be at Times New Roman, 12 font size with un-bold.

Full length paper submission guidelines:

- Ensure your paper is free of plagiarism.
- The abstract must include an introductory statement that outlines the background and significance of the study, the methodology, as well as the major findings of the study.
- All references listed in the reference section should be cited in the body text of the paper.
- Cite at least 5-10 recently published research papers to support your research paper.
- Tables must cite
- The affiliation section should appear at the above of the page on the left and must include at least the corresponding author's e-mail.
- The title of the paper must be 14 font size with bold, author details must be 12 font size with un-bold, and the entire content of the paper must be in Times New Roman, 12 font size with un-bold.
- Subheadings must be in Times New Roman, 12 font size with bold.

Poster/Oral Presentation:

The final program will contain dedicated slots for you to present your e-poster during an oral presentation. You will be given a dedicated five-minute slot in which you can present your research results. As a basis, you are only allowed to use your e-Poster presentation. As time is very tight you should be very concise in what you are going to communicate. Use your time slot and concentrate on the significant results you obtained with your work. Visuals might make a difference to other work and underline your results. To complement your e-poster presentation and to make it available to a broader audience, authors are requested to provide a five-slide presentation file (Accepted formats are: .pptx, pdf) including multimedia material. This e-Poster will be displayed in the e-Poster presentation on a large screen in the meeting room. You can also prepare supplementary multimedia (MM) or video material that replaces your five slides. However, any replacement video material should contain the same level of information indicated in the subsequent preparation guidelines and must not exceed five minutes of duration.

Conference Sponsor and Exhibitor Opportunities:

The Conference offers the opportunity to become a conference sponsor or exhibitor. To participate as a sponsor or exhibitor. Sponsors and exhibitors can mail us their proposals on icmigc2024@gmail.com

ICMRPI Conference Awards and Honours for all Delegates:

Interested candidates are requested to read the award notification and guidelines. All Interested Delegates/ Researchers/ Academicians/ Entrepreneur/ Students are requested to submit their updated CVs and dully filled award nomination form to claim the awards (listed below) through e-mail to icmigc2024@gmail.com on or before 31st October 2024, along with the Nomination fee 4100 INR. Society contribution for life members INR-3000/- & Non-Members INR-4100/- can be paid by NEFT/Net Banking/Online/Cash in favour of "Kalp Squad Group" payable at Pratap Bajar Vrindavan Mathura (State Bank of India, Account No. 42818265333, IFSC Code: SBIN0002502). The awards fee includes a hard copy of participation and award certificates along with the award memento.
